One of Ann Arbor's top real estate agents, Kathy Toth of [Kathy Toth & Team](#), has joined Keller Williams Realty in Ann Arbor.

She had been aligned with Real Estate One. Toth will work out of her home office in Dexter but concentrate her sales on the Ann Arbor market.

Her team sold 86 homes in 2007 for about \$21.9 million in volume, and she ranks among the top 1 percent of Realtors nationally.

Toth is bringing her eight-person team to Keller Williams after three years with Real Estate One and 10 years with Remax.

She said she moved to take advantage of the national exposure and networking opportunities at Keller Williams, which has been in a period of transition.

It let 40 agents go for performance reasons, but has since hired 20 and is aiming to grow to 200 agents by the end of the 2008 from its current 145.

Toth and her team have also appeared on HGTV's [House Hunters](#), and one of her staffers, Vicki Larmee, will be on the show at 10 p.m. tonight helping a Saline couple find a house in Pinckney.
